

## KANDEYA GODFREY T

Waterfalls, Harare, Zimbabwe | +263779586059 | gtkandeya@gmail.com | <https://www.itsgodfrey.me>

### SUMMARY

I have over 2 years of experience in software development using Python and JavaScript, with a strong focus on backend development using Django and RESTful APIs. Proficient in AI tool integration and data-driven solutions, including developing a credit scoring system that improved operational efficiency by 22%. Skilled in React for frontend work and experienced in foundational DevOps practices with AWS, Terraform, and CI/CD pipelines and recognized for enhancing system performance.

### WORK EXPERIENCE

#### Software Developer Intern

FinCheck (Pvt) Ltd – Harare, Zimbabwe

August 2023 – Present

- Primarily focused on backend development, including designing robust database schemas, setting up cloud infrastructure, and implementing automation with Celery and cron jobs.
- Enhanced an in-house credit scoring system's performance by 22% and improved user satisfaction by 15% through targeted UI/UX and backend optimizations.
- Developed an automated invoicing system, which reduced manual errors and streamlined the user experience.
- Built a feature to capture and analyze users' credit statuses, resulting in a 7% increase in decision-making accuracy.
- Designed and implemented front-end components for a tenant credit scoring system using React.
- Leveraged Redis, Kubernetes, and Docker for containerization, significantly boosting application performance and reliability.

### EDUCATIONAL BACKGROUND

University Of Zimbabwe – Harare, Zimbabwe

BSc Cloud Computing and Internet of Things

### CERTIFICATIONS

Oracle Cloud Infrastructure - Associate

Sept 2023 - Oct 2023

### SKILLS AND ATTRIBUTES

Programming Languages and Frameworks: <i>Python, JavaScript</i> , Django, Flask, React, Next.js	Version control: Git and GitHub	Cloud Technologies and tools: Redis, Docker, Kubernetes, AWS, Terraform
Attention to detail and analysis	Team Collaboration	Problem-Solving.

### LANGUAGES

Shona- Native

English - Fluent
